Discussion:

Mr. Southard made his remarks starting with the fact it has been a "Good Week". Dr. Richardson has visited the buildings and was able to do 2 lessons at each location, where students and teachers could engage and the teachers could ask questions and get in person answers and instruction. Principals, though very busy, were extremely supportive of the visits.

We are beginning to return to normal...each day is getting more so. That's encouraging. High school sports are back in full swing. Basketball and wrestling just finishing up and next round of sports beginning.

Happy Birthday to Mrs. Hines We do have a couple of board members out sick and our thoughts and prayers go out to their quick recoveries.
